REASONS FOR ALLOWANCE

Allowable Subject Matter

1. Claims 1-1-67 are allowed.
2. The following is an examiner's statement of reasons for allowance: a search of the prior art fails to teach or render as a whole the method and apparatus claimed features, of particular note is a method of performing key management in an AC powerline network, having clients with and without input capability, using a hard-wired-key and a password to operate the client device, while creating an encryption key update to the payload, as recited in claims 1, 14, 16 and 18. As to claims 20 and 50 it recites a powerline network system utilizing MAC protocols, and MAC version during a blanking interval, for transmitting between devices performing a contention based access/control; claim 31 makes use of the powerline network in a reservation type system to establish payloads; claim 41 associates LNI to create address maps for clients communicating in a powerline system.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Norman M. Wright whose telephone number is (703) 305-9586. The examiner can normally be reached on 5/4/9 compressed week.
